

Consortium for Scientific Assistance to Watersheds: Application for Assistance

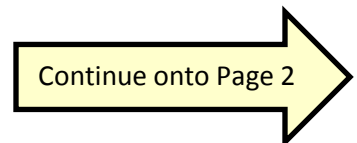

The Consortium for Scientific Assistance to Watersheds (C-SAW) is a team of service providers that offer technical and organizational assistance to watershed and conservation organizations in Pennsylvania.

C-SAW assistance is available to eligible organizations at no cost. To apply for assistance, please complete the application form and send to the Pocono Northeast RC&D Council or the C-SAW service provider with whom you wish to work. For additional information on C-SAW, please visit <http://c-saw.info/>.
